

2020 Brown County Taste of Wisconsin

February 11, 2020 - STEM Innovation Center on UWGB Campus

Sponsorship Letter

Greetings,

I hope you will consider sponsoring the 7th Annual Brown County Taste of Wisconsin event. The event typically draws in over 300 people and features dishes with food ingredients that are grown or raised in Wisconsin. The proceeds from the event will go to benefit the Brown County Dairy Promotions "Ag in the Classroom" programs and Extension Brown County. You can learn more about our programs by visiting our websites at:

www.browncountydairypromotions.com

www.browncountyextension.org

In its seventh year, the event has grown in attendance and participation. To accommodate growing audiences, we are excited to announce a new location at the STEM Innovation Center on the UWGB Campus. This means a larger audience and even more exposure for your company if you choose to be a sponsor.

On the back of this letter is more detailed information about the sponsorship opportunities. Attached on the second sheet is the sponsorship form. If you would like to be a sponsor, **please return the form and email a color logo to our office or complete the online form with logo upload by January 27, 2020.** If you have any questions about sponsorship, please contact Liz Binversie at eybinversie@wisc.edu or 920-391-4612.

Thank you for your continued support of agriculture in Brown County!

Sincerely,

The 2020 Brown County Taste of Wisconsin Planning Committee

Don't forget:

Due January 27, 2020
